

Staffing Industry Health and Safety Guide for Nova Scotia

Staffing firms have an obligation under Nova Scotia's *Occupational Health and Safety Act* to protect the health and safety of temporary employees.

Stay Informed of your Obligations as an Employer of Temporary Help

The *Staffing Industry Health and Safety Guide for Nova Scotia* was developed to provide you with the practical information and resources needed to help you develop and implement an effective health and safety program by:

- > Identifying elements of a successful program
- > Developing the tools and resources needed for an effective program

This guide is particularly useful for:

- > Front line management
- > Supervisors
- > Joint health and safety committee members
- > Health and safety representatives
- > Trainers

This guide contains legislative supplements specific to Nova Scotia and was developed by IAPA (Industrial Accident Prevention Association) in cooperation with ACSESS and the Workers' Compensation Board of Nova Scotia.

To purchase a copy of the *Staffing Industry Health and Safety Guide for Nova Scotia* please visit www.iapa.ca/land/acsess or call toll free: **1-800-406-4272**.
